

Who is UP?

UP Human Resources e-Learning and Management Consulting Company was established in August, 2010 and provides high quality services in the area of E-Learning, Corporate Trainings, Human Resources and Management Consulting to companies of all sizes.

UP is headquartered in Beşiktaş, Istanbul.

UP Mission

UP was established based on the principles of honesty, excellence, team-work, and to provide high quality services while building long term trust-based relationships with our clients. With its young and dynamic team, UP promises to surpass clients' expectations.

UP's mission is to always make the clients' needs and expectations the top priority while providing high quality services and products and continuously refining ourselves in order to achieve the highest level of client satisfaction.

UP Difference

Composed of a young, dynamic and highly trained work force; UP utilizes the latest technologies to provide high quality products and services while maintaining a people centric approach in its processes.

Companies that do business with UP are not only gaining a provider of a service, they are forming a partnership based on trust and a mutual desire to succeed.
