

General Notice on Cookies and Cookie Policies

Our company and the sister companies under the trademark of CottGroup® and its network (*) (COTT) use various cookies on this site and on all of our associated websites (all digital platforms including mobile applications). The information requested through the web site is used in order to provide you a better service and assist you at best level with your queries. COTT network consists a wide range of independent member companies which are the providers of various parts of this site and the other web sites within COTT member network. All the sites belonging to the independent group companies mentioned use cookies to operate the site with higher performance and to understand which information and advertisements are more beneficial for our clients. You may find further information on the cookies and relevant policies used on our websites below.

If you have any questions or comments about cookies, please contact us at **ask@cottgroup.com** or send us a mail at the address given below.

What do we acknowledge from cookies used on our websites?

Cookies are files that consists various data stored in your computer by a website that you have visited. The cookies we use on our websites are not such software which allows infiltration of malicious software such as trojan or viruses. In this notice on cookies, you may find detailed explanation on the cookies that are used or may be used in the future to the extent and for the purposes allowed by the relevant Laws and regulations.

What is aimed with this notice on cookies?

We would like to inform you about the cookies we use, with respect to the Law numbered 6698 on the Protection of Personal Data (“PPDL”), EU General Data Protection Regulation (“GDPR”) and all the applicable framework regulations regarding personal data, that are in force.

Our objectives aimed by this notice are summarized below:

- **To give priority to decide:** Giving you the discretion to decide about navigating various pages on our web site and storage of cookies in your computer.
- **To document:** To document the actions regarding your visit to our web site as well as the data on cookies for the purposes of the law.
- **Transparency:** To make clarifications regarding all the personal and other data we collect from the web site in order to eliminate any doubt.
- **Precision:** To provide a full list of the cookies present on the web site and inform you about technological facilities.
- **Waiver:** To grant you the right to waive from visiting our site, in line with the information we provided.
- **Update:** To keep you informed and up-to-date about the newly added cookies and technologies.

Please refer to our [Privacy Policy](#) regarding information that may be collected by cookies.

How to remove cookies from your computer?

In respect of COTT’s websites and applications, you can remove the undesired cookies by the following methods. However, please be reminded that once these cookies are removed, the relevant web site or application may lose functionality and their performance may be affected adversely.

You can remove the cookies from your computer by making use of the links given below. These links may vary based on the preferences of your browser provider. You can access similar information through the help menu of your browser or application.
